

CREATION OF TELEVISION CHANNEL M.D.L.R. CALL FOR DONATIONS

INTRODUCTION

Dear donor, dear donor,

My wife and I co-founded the M.D.L.R., because we have a vision that we will explain to you below.

The M.D.L.R. is a non-profit association whose aim is to create a Christian television channel on T.N.T at the national level and on satellite for the rest of the world.

The creation of this channel will take place in two phases.

- The first phase concerns broadcasting on satellite and WebTV.
- The second phase, longer in time, concerns broadcasting on DTT.

The M.D.L.R. was created in February 2022 in order to respond to this vision which is necessary for our country France and then for the rest of the world.

USEFUL INFORMATION

IS THE ASSOCIATION PLANNED TO HAVE OFFICERS OTHER THAN THE FOUNDING MEMBERS IN DECISION-MAKING?

Yes, this is provided for in the statutes that govern the association.

But we will be vigilant as to the fact of the desires of people wishing to join the office.

These people will have to embrace the vision of the M.D.L.R. and be of service to the body of Christ and not the other way around.

Beforehand, they must be members of the association for at least two years and have carried out missions as volunteers in the M.D.L.R. during these two years.

IS THE ASSOCIATION PLANNED TO GRANT ORDINARY MEMBERS THE RIGHT TO VOTE AT GENERAL AND EXTRAORDINARY ASSEMBLIES?

Yes, this is provided for in the statutes.

IS THE ASSOCIATION PLANNED TO HAVE A BOARD OF DIRECTORS?

Yes.

VISION

What is the vision of an evangelical television channel in France?

This consists in being able to give the word of God to all Christian, non-Christian or atheist people.

Many people ask questions about Christ, but they only have a religious approach, and this channel aims to show them that it is possible to live one's faith, following the precepts of Christ without being part of a religion.

It also aims to speak to all people who do not necessarily share the gospel message, but who have an intellectual or personal curiosity.

I have had this vision in my heart for more than 20 years, I let it ripen as a servant had told me "Let the fire still burn in you".

At that time I did not understand his message, but 20 years later I understood. The Holy Spirit was to refine that vision in me, establish me, and make me ready to fulfill it.

Having the vision is good, but understanding and knowing how to put it into practice is better, because it takes time for the Holy Spirit to prepare us.

It is a preparation that requires being stable in the area of faith, persevering, trusting in the word of God and demonstrating wisdom and intelligence like Solomon.

Many other things are also needed.

The M.D.L.R. aims to reach and convince all types of people in France and around the world to help them understand who Christ is and his sacrifice on the cross, so that they make the voluntary decision to begin a personal process of repentance and paradigm shift.

As brought to the body of Christ by various programs of aids in faith and personal life, because the Lord has also called us to live from glory to glory and from victory to victory.

This channel also aims to convince and bring people who wish to do so to reflect on themselves in order to make the decision to pass from death to life in Jesus Christ.

Many people believe in God, but do not know how to please him, and others also believe in him, but are afraid to go to church so as not to be judged.

This television channel will aim to help them find the right path, because the Lord Jesus Christ is no respect of persons.

Will the channel evolve in its offers in the future in order to offer other programs?

Yes, the channel will evolve in its offers to the people of God and non-believers in order to convince them.

To accomplish this vision, we need to work with the body of Christ in France and around the world.

The body of Christ is all the churches, assemblies, prayer groups and home cells having the same objective which is the risen Christ.

It doesn't matter if you're A.D.D. full gospel, Pentecostal, that's just denominations working for the same purpose, Christ and the cross.

It's time to put the top gear by creating this television channel.

This television channel will be able to bring the word of God much more easily where our churches, congregations, prayer groups and cell groups cannot.

If you want to be part of this great adventure, I invite you to participate by making a donation to the M.D.L.R. more information in the appendices at the "HOW TO MAKE YOUR DONATION" step on the last page.
